

Dear FCC Administrators and Congressmen:

Please do not allow Sinclair Broadcasting to air an anti-Kerry special. It's nothing more than a "free commercial." Who owns Sinclair Broadcast Group? What is their motivation for airing this? Isn't allowing them to air this anti-Kerry special in violation of the campaign finance law because it's a free commercial? What are we doing as a nation? I believe that allowing this anti-Kerry special will only harm our democracy.

Sincerely,
Susan Strong-Dowd
